**Hot issue:**

**Limetree Bay Terminal & Limetree Bay Refining:** APB is preparing the Draft PAL Permit package to circulate for concurrence and signature. We expect that the package which includes the cover letter, draft permit, Fact Sheet and a copy of the Public Notice will begin circulating by the end of this week. APB/ORC also held a call with the Commissioner and the staff of DPNR to discuss EPA's ambient air monitoring proposal. **Ex. 5 Deliberative Process (DP)**

**Ex. 5 Deliberative Process (DP)**

The DPNR also offered to help in arrange the venue for the Public Availability and Public Hearing sessions at the VI University auditorium on St. Croix. APB also discussed the outreach and the permit roll out plans with PAO. The PAO will assist APB in publishing the Public Notice and it will also issue a Press Release when the Draft Permit is issued. The Press Release will be sent out to the public officials and the Congressional Representative. APB also plans to send the permit package to the interested parties in the Virgin Islands. Note: Limetree did not yet provide its official response to EPA's proposal for five ambient monitors.
